

MantoelSTD is a community-music project. We are a Memecoin bringing Utility to the crypto sphere. And we declare to disrupt the space with our MantoelSTD Vault – Security to make the crypto space safer for millions. There is no other coin or token existing today in the crypto space that is more ambitious and aggressive than our team here at MantoelSTD. Our community strength is unparalleled and we will vaporize all memecoins in our path with our M symbol atomic breath!
